*Notice dated the 16th February* 1905.

It is hereby notified for public information that small-pox is prevailing in the City. With the view to prevent its spread, orders have been issued that vaccination of unprotected children should be done once a week at least in each dispensary of the City. The hour and day of the week when it will be done will be notified in conspicuous places in each dispensary. Requisition may, however, be made to the Vaccinators direct, to the Medical Officers in charge of Dispensaries, or to the Health Officer of the City, in case any person desires to have his children vaccinated in his own house and such requisitions will be complied with as promptly as possible.

2. The public are warned of the infectious nature of this disease and of the ravages it is known to commit and advised to segregate the patients, and save themselves and their children from infection. The Health Officer is prepared to receive small-pox patients into the Epidemic Diseases Hospital on the Magadi road where sufficient arrangements have been made to look after their treatment and diet free of cost. The contacts of small-pox patients will be furnished with accommodation in the contact camp free of cost but no batta will be paid to them during their stay in the Camp.

*Notice dated the 18th February 1905.*
